

2017 YEAR IN REVIEW

# A NOTE FROM TANZIE

We at TTP want to thank everyone who has kept our mission up, running, and growing for 2 years now!! Thank you from the bottom of our hearts.

**T**anzie here! First, let me a-paw-logize for not sending my newsletter out sooner. There's been a lot going on and I may have paw-crastinated a little...& I couldn't get mommy's help typing this until now!

A huge "PAW-PUMP" to our board members, volunteers, donors, and supporters who have helped us get through quite a trying year of rescuing. None of this would have been possible if not for ALL of you!

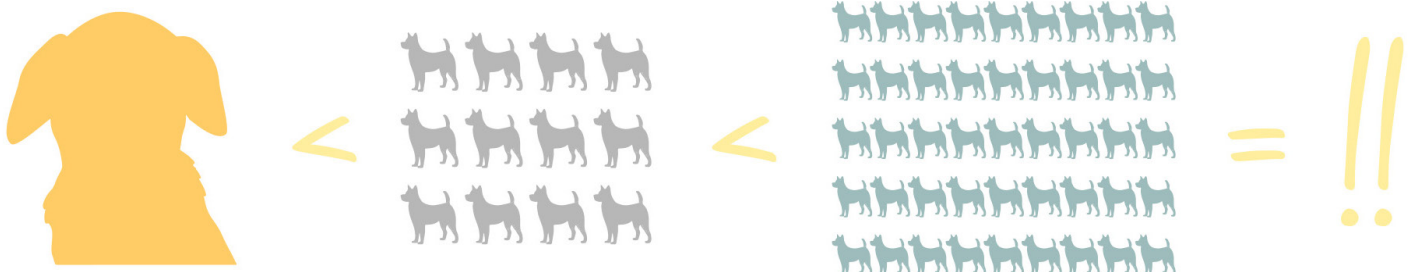

We had such a crazy-busy 2017, and our success is all thanks to YOU! I thought every-paw-dy might want to know about all the puppies we fed, saved, and rehomed in 2017! So let me start off this letter from the beginning....

I can't believe all of this happened because I stole my mommy's heart on that cold December night in Sarajevo – heck, all I really wanted was a belly-rub!! The only life I knew was just roaming the streets, running out into a

nearby field to play with other street dogs, and avoiding people who didn't like me. I guess that is the beauty of it all, that we never know the pawesome things that can come of the smallest of actions...! Thankfully mommy fell in love with me, and in doing so, saw how much I wanted to save my friends. Now I'm pursuing my dream!

Since I'm not that good with typing, numbers, or concentrating, you know, important things like that, I'll let my mommy finish the rest of this letter. Thank you ALL for your supportz and lovez and donations to help me save more of my Bosnian fur friends I left behind.

In 2017, we rehomed 125 Bosnian strays across the U.S. and 7 European countries! But our efforts didn't just begin once we became an official nonprofit. From 2015 – 2017, we've collectively rehomed 216 of Bosnia's forgotten street dogs!! Tanzie, 9 pups w/PRM, 4 w/ other volunteers, 175 through TTP, and 27 Nina rehomed independently in 2016.

“ I can't believe all of this happened because I stole my mommy's heart on that cold December night in Sarajevo!

As of June 2018, we've rehomed another 38 dogs - including our first in Canada! So since me, the first Bosnian rescue pup, you and other organizations have helped rescue and rehome 254 homeless Bosnian dogs in total - it's un-paw-lievable and paw-sitively fantastic!!

We won't ever be able to save them all, and that breaks my heart, but we have helped SO many that never would have been saved, fed, or cared for had we not had a paw in it. Thank you for helping me #savebosnianstrays...PAW-PUMP Team Tanzie!!

- With love and puppy kisses, your favorite crazy Bosnian rescue pup, Tanzie!

# FINANCIALS

We launched our first fundraiser benefiting Bosnia's stray dogs in December 2014, when founder Katie asked her friends for \$500 to buy dog food - and the rest is history! It's amazing what we can all achieve when we come together for the common good!

To showcase our overall growth, we've also included 2015 & 2016 donation figures in this financial summary. Wow, we have made a huge impact since that first fundraiser more than three years ago!

TTP's key support areas entail veterinary expenses, food, shelter repairs and construction, pension (shelter) fees, and transport expenses.

**TRANSPORTS:** Expenses incurred relating to animal transport, including both animal and airfare; rates, ground transport services, passports, health certificates, travel supplies (leashes, harnesses, etc).

**FOOD:** Costs of dog food for animals at rescue partners' shelter or other private pensions.

**VETERINARY CARE:** Includes both surgical and non-surgical expenses; requiring significant repair, such as due to injury or illness or vaccinations and medications, or treatments other than surgical.

**SHELTER FEES & REPAIRS:** All expenses related to operation and maintenance of rescue partners' shelters or fees paid to private shelters (pensions). This includes construction or improvement of facilities, and payment to shelter workers.

**NON-VET/TRAVEL ANIMAL COSTS:** Includes expenses related to Fairy Dog Parent program (food, shelter, or medicines for sponsored animal), and other supplies for animal not related to veterinary or transport.

**ADMIN EXPENSES:** Costs of various administrative and maintenance expenses, including payment fees (PayPal, Western Union, Stripe, WePay), monthly subscription services (Quickbooks, Social Pilot, Adobe Creative Cloud), annual website subscription and hosting, postage, phone, and related expenses.

## MAKIN' IT "REIGN"

I'm pretty sure I was the "PAWFECT" Mascot!! Read DoD's blog for a recap of all the fun! >> [tinyurl.com/tanziemilitarytails](http://tinyurl.com/tanziemilitarytails)

Tanzie here! Sadly, my reign as Dogs on Deployment's 2017 Military Pet of the Year and Mascot came to an end...but from NATO parades, to golf tournaments, to Cuddle-Clones, I sure had one paw-tastic year!

Thank you ALL for the votes and shares to give me the chance at such a pawesome opportunity! I met so many new people who gave me all the belly rubs!

## A PAWSITIVELY BUSY YEAR

### APRIL 36 "PUP"-DATE

We have some pawesome news -- 31 of the "April 36" group of pups from 2016 have finally reached their new lives! Unfortunately, 5 of the 36 have since passed away from either illnesses or regretfully, altercations with other dogs -- unfortunately one was a result of human cruelty at Praca shelter, where a fight was instigated intentionally.

Running free are Brownny, Ginger, Miki, Glista, and although we aren't for certain, Dingo...after he had his surgery in Bosnia earlier this year, he ran away and has yet to be found. Although we are deeply saddened we could make all of our 36 dogs' forever dreams come true, because of you, we kept our promise to all we could.

## A PEACEFUL "PAWTEST"

Following the "Pawtest," we recieved dozens of new adoptions, but there hasn't been action from the Bosnian government.

**In the week after the "Pawtest," Tan**

Animal activists in Sarajevo asked fellow dog advocates across the globe to join them in hosting peaceful assemblies on Nov. 11, 2017, to bring world-wide awareness to the animal cruelty situation in Bosnia. We were extremely excited to honor their request. Tazie and fellow Bosnian rescue pups held a "paw-test" outside of the Bosnian Embassy in Washington, D.C.

### We requested the Bosnian government address the following issues relating to all homeless dogs:

- 1. Stop** the inhumane killing and torture of all dogs in Bosnia.
- 2. Implement** procedures allowing Bosnians citizens/residents to enter any shelters to either volunteer, adopt, or see conditions. At the time, officials were threatening not to allow volunteers in Praca shelter.
- 3. Enforce** humane treatment/conditions in all shelters across Bosnia.
- 4. Initiate** a registry for all homeless dogs to eliminate potential for mass killing of dogs, where ear tag and microchip numbers are tracked and accounted for as dogs re transported to, from, or between shelters.

Bosnian rescues Ice, Blue, Maya, and Odie joined their fearless leader for this historic moment!

... requests and messages from native Bosnians thanking us for what we're doing to help the dogs in their country. Even though ... ent, our message IS working -- We're changing the Bosnian people's hearts and minds, one paw at a time!

... zzie's social media platforms saw a staggering **830% increase** in activity!

## "30-DAYS" RESCUE RECAP

What a whirlwind 4th quarter we had with our dear Nina! You all stuck through the craziness of the "30-day" shelter closure and thanks to you, we made miracles happen! Within the first 30 days, we transported 50 dogs - that effort bought us an additional 30 days from the animal inspection, and then another after that! In total, we transported 81 dogs between Nov. 19, 2017 and Feb. 15, 2018. WOWZA!

I know at times it seemed as if we had no idea what was going on...but it was organized chaos, we promise! Unfortunately not all of Nina's dogs got transported during that campaign -- all total, 14 dogs remained after the big push. We either didn't find homes in the rest of the momentum, or they were too sick or scared to travel.

Some of those dogs are still at Nina's - Lija, Benton, Gurda, Joka, Phoenix, Djecak, Meli, while the rest, Ghandi and Birdie, are placed in fosters. Not one dog is outside in her kennels anymore -- a concept we never thought possible!

When Katie first met and started working with Nina in 2015, she was caring for more than 200 dogs between her house and several private shelters (pensions).

An important update we need to share with all of you...although we moved the dogs from Nina's kennels, she still has 10 at a private shelter (Austin, Dexter, Hame, Joy, Maggie, Ollie, Persy, Rocky, Ruby, Sam). We were aware of these dogs, but shifted focus away from them during the "30-day" crisis. We realize we should have mentioned these dogs when we were moving all of the rest, but with the urgency of the situation, we had to focus all efforts to dogs at Nina's shelter due to their impending capture.

We hope it's evident our intent wasn't to withhold these additional dogs from our supporters, but to place emphasis on the most urgent need at the time. Now, we have refocused on getting those dogs out of that pension through fosters or adopters so they can have the wonderful new lives the 81 before them have!

# LOOKING AHEAD

## RESCUE PARTNERS

Thankfully, our work to save Bosnian dogs has brought so much awareness that we've decided to expand our support to additional rescue partners! Having 11 total, here's a brief intro to our 7 new partners in saving Bosnian strays!

**GLADNO POLJE:** A public shelter in Sarajevo, ran by a local Bosnian and American living in Sarajevo. We've helped find homes for several of their dogs...Julia, Lucky, Teddy & Lila!

**SILVER DOG RESCUE:** Located in the town of Srebrenica (srebro means "silver" in Bosnian), our new rescue partner is starting to build his very own shelter, and we're fundraising for the fence!

**ANIMALS WE CARE MOSTAR:** An official Bosnian nonprofit, this group of dog lovers in one of Bosnia's most recognizable cities (thanks to the Mostar bridge!) is working hard to save as many dogs as possible. We're supporting them through adoption postings.

We're also supporting individual rescuers in the Bosnian towns of Bihac, Tuzla, and Sarajevo, as well as Americans supporting dogs based in Bosnia and Serbia.

**INACTIVE:** While we still have a valid agreement with the unofficial shelter, Bosnian Dream Rescue, they haven't requested our assistance in close to a year, so this partnership is currently inactive.

## "FUN"-RAISING EFFORTS

YouCaring has recently merged with GoFundMe, and no longer allows you to donate through PayPal as many of you enjoyed doing.

We will now use Donately as our new campaign platform, but will also keep our general PayPal link: <https://paypal.me/thetanzieproject>. Keep an eye out for the "tinyurl" links for the Donately campaigns!

**FOOD -** Blue & Ice's Food Challenge is still ongoing! <https://tinyurl.com/foodblueice>

**FENCE CONSTRUCTION -** <https://tinyurl.com/silverdogshelter>

## JOIN TANZIE'S TEAM

Love dogs? Have leadership or management skills? Want to help us save MORE dogs? Then we would love for you to join our team!

Even though Tanzie makes it seem like everything runs smoothly, she often needs lots of help -- especially as we have grown so much over the last 2 years, we need more specialized volunteers and team members.

Applications for a board member position will be accepted from any volunteer who has been actively involved with The Tanzie Project, Inc. for at least 6 months.

Interested? Email [info@thetanzieproject.org](mailto:info@thetanzieproject.org) for more information! Please note - all positions are volunteer status.

### LOOKING FOR:

- Volunteer Coordinator
  - Fairy Dog Parent Program Manager
  - Financial Manager/Analyst
  - Marketing/Social Media Director

### HELP BOBBY: UK TO USA

We need a **volunteer flying to or from the U.K. and USA** to bring Bobby to foster sissy Tanzie in Virginia! He's spent 6 months at Happy Landings shelter in the U.K. after his original foster family no longer wanted him. Happy Landings has taken great care of him, but he deserves the chance at a "forever" future! Email us if you can help!

### BE A FLIGHT PARTNER

Flying to or from the USA and Bosnia or Serbia? You can help by transporting a pup in need on your flight!

### ORGANIZE TRANSPORTS

Organized? Like logistics? We need enthusiastic people to help coordinate international and domestic transports.

### GIVE ADMIN SUPPORT

Do you have any unique or pertinent skills you think TTP could benefit from? Let us know!

### BE A FOSTER FAMILY

We don't anticipate needing many fosters since most pups have homes before arriving, but we may need temporary homes at some point.

**GOT SKILLS or IDEAS? WE NEED YOU!** Email [info@thetanzieproject.org](mailto:info@thetanzieproject.org) to lend your "paws" to Tanzie's cause!

# I'm Suzana!

But my friends call me Suzy!  
I'm approx. 3 years old, 65 lbs,  
spayed, vaccinated, & beautiful!

I'm currently in Hampton, VA,  
crashing with Tanzie while I wait  
for my new family to find me.

I take a few days to warm up to  
people, and especially longer with  
men. But please give me a chance.  
I have a super sweet, cuddly side  
that I only show when I feel safe  
and trusting.

I get along GREAT with other  
dogs, but am leery of new  
people. But I pawmise I'm a real  
sweetheart! Email Tanzie for more  
info on how to adopt me!
